Internship

Male | 31st May, 2003 | Nigeria, Uyo

Citizenship: Nigeria

Innovative and results-driven web developer with a strong foundation in Python and Django, complemented by a National Diploma in Electrical Engineering. Possessing a solid understanding of web development principles. I have honed my skills through internships at Champion Breweries PLC and the Transmission Company of Nigeria. MARTIAL STATUS: SINGLE, PLACE OF BIRTH: ANNUA UYO, NATIONALITY: NIGERIAN.

Professional Experience

Junior engineer

Champion breweries plc

Feb 2023 - Nov 2023 | Part-Time

As a Junior Engineer at Champion Breweries PLC, I played an integral role in supporting the engineering team in maintaining and optimizing the brewery's operational efficiency. My tenure provided me with a comprehensive understanding of both the technical and practical aspects of brewery operations, emphasizing hands-on experience in a dynamic and challenging environment.
